Dear Friends & Neighbors-

When you or a family member is ill or injured, what is the first thing you think of to do?

If you're like most in our community, you call 911 and Easton's Volunteer Emergency Medical Service (EVEMS) will be there.

Why?

Because you know you will receive top notch emergency care by dedicated, compassionate first responders in your time of need. Whether it is a blizzard, hurricane, tornado or a local medical emergency—your community-based EVEMS is always ready to answer your call. We responded to 310 emergency calls in 2012 and we've responded to over 315 calls year-to-date in 2013!

Your contributions have helped EVEMS continue its 67 years of service to the community, day or night, each and every day of the week. We are so grateful to you for supporting our committed team of Emergency Medical Technicians, Ambulance Drivers and First Responders.

EVEMS counts on your support – now more than ever.

Your gift of \$50, \$100, \$500 or more can make all the difference to us to insure that we have the supplies, equipment and training necessary to provide the highest quality pre-hospital care

Your donation will make a world of difference right here in your own community.

Please consider making as generous a gift as you can. Thank you so much for your help.

Warmest regards,

Carolyn Kearney
Chief, EVEMS
