

The Connecticut Freedom of Information Act (FOIA) gives you the right to request and obtain records of public agencies within certain limitations. You may request records that are <u>not</u> already available on the internet through the Town of Easton website. The Town has no obligation to and may not perform analytical work, studies, investigations, calculations, program reviews or create any special/customized document/materials or retrieval in response to a FOIA request. Only public documents/records that currently exist are subject to the law. There is an established retention schedule for all Town Records per the Connecticut State Library. Records that have exceeded the required retention may no longer be available.

#### FOIA Request:

To make a request under the Freedom of Information Act (FOIA), please review our guidelines and FOIA Request Form. Anyone may request public records, and a purpose does not need to be stated. There are no restrictions on the use of the records. The allotted initial response time for Connecticut open records requests is <u>four days</u> for the agency to acknowledge receipt of the request. The FOIA request to the Town of Easton should be in writing, detailing the type, subject matter, date(s) of the records requested and format to receive document(s). Authorizations and/or other documentation should be attached if needed. You may pick up an FOIA Request Form at the Town Hall Department you are requesting information from or on the Town of Easton website <u>www.eastonct.gov</u>.

## FOIA Fees (See Summary of Charges):

Please be advised that you or your designated representative will be offered the opportunity to review responsive documents or materials at no charge. However, there will be charges associated with allowing you to electronically scan materials and/or providing you with your own copies of materials to accommodate your request. The fees will be charged in accordance with Connecticut General Statutes (CGS §1-212), FOI Commission and Town of Easton Policies. FOI charges will not supersede allowable fees. The Town is entitled to require prepayment of fees of ten dollars (\$10.00) or more in accordance with Connecticut Statute (CGS §1-212(c)). Requester will be advised in writing of cost to provide information prior to request being fulfilled by the Town. A brief summary of charges for fulfilling FOIA requests is attached.
